A 'Pricing' section states that there are no minimum fees and prices are based on the location of the S3 bucket. The 'How it works' section is partially visible. The bottom of the console shows the 'Create bucket' page with a 'General configuration' section. This section includes a 'Bucket name' field with the value 'Experiment3', an 'AWS Region' dropdown menu set to 'US West (Oregon) us-west-2', and a 'Choose bucket' button.
